

Create a Home Page, follow template:

- Header will contain an image or logo about your website.
- Menu will contain three links. Home link. Registration link. Animations link.
- Home Page content will be a bit about your website and some images.
- Footer will contain 3 columns of links. Link to whatever other sites you wish. Open links in new tab, not current tab.
- Create a Registration page, will follow same template except the Content will be registration form fields.
- Registration Fields:
 - 1) User Name
 - a. Input Text
 - 2) Password
 - a. Input Password
 - 3) Repeat Password
 - a. Input Password
 - 4) First Name
 - a. Input Text
 - 5) Last Name
 - a. Input Text
 - 6) Address line 1
 - a. Input Text
 - 7) Address line 2

- a. Input Text
 - 8) City
 - a. Input Text
 - 9) State
 - a. Drop Down of Options
 - 10) Zip Code
 - a. Input Text
 - 11) Phone Number
 - a. Input Text
 - 12) Email
 - a. Input Text
 - 13) Gender
 - a. Radio buttons
 - 14) Marital Status
 - a. Radio buttons
 - 15) Date of Birth
 - a. Input Text, must have a calendar pop up
 - 16) Submit Button
 - a. Form submit button
 - 17) Reset Button
 - a. Clears form fields to default settings (normally empty)
- Create an Animation page, will follow same template except the Content will be CSS Animations
 - Follow coding standards http://www.w3schools.com/html/html5_syntax.asp

Mobile Example: Collpase to a total single column format. So left navigation menu goes to top. Registration goes underneath in one column.

The image shows a mobile registration page layout. At the top, there is a banner with the word "Register" in large white text over a colorful background of people. Below the banner, on a green background with a diagonal line pattern, are two navigation links: "Home" and "Register", each enclosed in a blue-outlined box. Underneath the links is a cartoon illustration of a king with a beard and a queen. Below the illustration, there are three form fields for registration, each preceded by a label: "Username:", "Password:", and "Repeat Password:". Each label is in bold green text, and each field is a white rectangle with a blue border.
